*** = Graduating Seniors**

Percussion Studio would like to extend a special thank you to our wonderful advisor Tara Blasor for keeping us in check, and to our founding members, Jeff Schmulen and Kevin Grubbs, for getting this whole thing started over 20 years ago.

**The Colour and The Shape By Foo Fighters
Arr. Morgan Rackley**

Late 90s still counts as the 90s for this world-famous rock band and their heavy guitar anthems.

-Welcome-

Greasy GroovesBy Dylan Ton

Bunch of bad boys drumming together.

**Spring and a Storm..... By Tally Hall
Arr. Brandon Sheneman**

Just a happy little song about rain :)

Happy Campers.....By Rishab Thadani

A group of outdoorsmen revolutionize camping with their interesting problem-solving methods.

**One Hot Minute..... By Red Hot Chili Peppers
Arr. London Floyd**

Enjoy this medley of hit songs from the Red Hot Chili Peppers such as Under the Bridge, Californication, Can't Stop, and many more.

19th Century Chop Shop By Maya Coleman

Striking a drum or drummers on strike?

**Break My Heart.....By Dua Lipa
Arr. Joshua Wood**

A song from 2020 is also a rewind, just ya know, not a very long one.

**Pothheads.....By Anthony Smith
Arr. Morgan Rackley and Trevor Schnedler**

We're taking you back to the grand ole 1970s where people wore pots and pans and epically fought to the death.

-Intermission-

Detention Drumming By Daniel Barrett and Dylan Ton

No drumming allowed! But then again, we're already in detention...

**The Throwback Era By Taylor Swift
Arr. Alyssa Cisneros**

Let's rewind to the hopeless romantic era that we remember All Too Well. Join us in this Love Story and you'll leave feeling like you're 22.

**Journey Through Time By Various Artists
Arr. Stephen Dillon**

When in doubt, have a trash can drum-off to defend your honor.

ReginhardBy Jake Turner

Yes, the 1170s were definitely a decade, and therefore qualify for the show theme. Inspired by Reynard the Fox.

**Metro Broomin'By The Sherman Brothers
Arr. Michael Nielsen**

5 discouraged chimney sweepers find something fun to do at work.

**Marigold By Periphery
Arr. Rishab Thadani**

While this song has elements of classical music, the music video is all about robots fighting each other. Hopefully they stay in the future.

-Seniors-

Drum Side Story By Joshua Wood

Romeo and Juliet turned Musical Gang Violence turned Drum Ensemble. Less of a throwback and more of a really weird madlibs.

-Closing Remarks-

**Rosanna By Toto
Arr. Trevor Schnedler**

Because I refuse to play Africa again.
